

ACTA TERMS & CONDITIONS

AGREEMENT TO PARTICIPATE: Participants in any activities program of the Arlington County Tennis Association (ACTA) should be aware of the possible risks inherent in the nature of participating in the sport of tennis. ACTA strongly recommends that each participant have an annual physical examination and have personal health and accident insurance. ACTA does not provide insurance for participants of its programs.

It is possible for individuals participating in tennis activities to suffer common injuries including, but not limited to rolled or sprained ankles, cuts and bruises, knee problems, impact injuries, head injuries, back and trunk injuries.

More serious, but less frequent injuries such as broken bones or worse may also occur. These injuries, and others, may result from such incidents as, but not limited to rapid change in direction, hit by a ball or racquet, colliding with another player, improper equipment, slipping, falling, or being knocked to the ground and travel to ACTA events and activities.

By selecting this box, I affirm that I am aware of my physical condition, that I am voluntarily participating, that I am aware that such participation may result in possible injury, sickness or perhaps worse as a result of the nature of this sport, and that I am assuming any risk that may be involved in this sport from my participation.

ACTA LIABILITY WAIVER

WAIVER OF LIABILITY AND CLAIMS: In consideration of being allowed to participate in this activity, I hereby forever release the ACTA Organization, its Board of Directors, and other respective volunteers and agents from any and all claims, liabilities, demands and responsibility relating to injuries, damages or perhaps even worse to myself or my property which arise from, or are caused by or from my participation in the activities of the ACTA, including claims, losses or demands caused or alleged to be caused in whole or in part by the negligence of ACTA or any of the above entities or individuals, except to the extent that such injury, damages or perhaps even worse is caused solely by any of their gross negligence or willful misconduct.

By selecting this box, I understand and agree that ACTA makes no express or implied representation to me regarding the adequacy or safety of any activity undertaken or provided.
